Welcome!

IPO's Class on Advanced ITC Litigation presented at Brinks Gilson & Lione

A one-day program, organized by IPO's ITC Committee, on examining developments in Section 337 litigation before the U.S. International Trade Commission ("ITC"). Through a series of in-depth modules, building on an introductory overview to acclimate those unfamiliar with Section 337 investigations, participants in this course will build their understanding of current strategy and tactics, as well as brush up on basic practice points.

Distinguished Speakers:

F. Scot Kieff, Commissioner
U.S. International Trade Commission

Hon. Judge Thomas B. Pender
U.S. International Trade Commission
